FLAPEE BYRD

INSTRUCTIONS

FLAPEE BYRD

Help Mr Flapee to get home. He must avoid dangerous pipes all along his way. In *A Sparrow goes Flapping*, you must defeat the fire bird.

1. PREPARING

- Hook up your video game system.
- Plug in Flapee Byrd while power off.
- Choose your game mode with joystick:
 - Flappy Bird : like in the original game.
 - FB HD Upgrade : new version of Flappy Bird.
 - Sparrow Flap
 - Use left button to select, right button to go back.

2. OBJECTION

Flappy Bird

Go the farther on the right without touching any obstacle or falling on the ground.

Sparrow Flap

Defeat the fire bird.

3. CONTROLLING

Flappy Bird

Use any joystick direction or fire button to flap.

Sparrow Flap

Left button : flap

Right button or joystick down: dash.

Joystick left or right moves your bird left or right.

5 : pause

A Sparrow goes Flapping

Item Crystal:

Pink-Full life

Yellow - Invincibility

Tan – Cape (less time between dash)

Green- 1up (only can carry 1)

Purple- 5,000 points

Gray- Shield (increase after hit invincibility time)

After the first game loop, it becomes harder. An H will appear in your status bar to show you're in hard mode.
