CARTRIDGE INSTRUCTIONS

JUNKIWALL

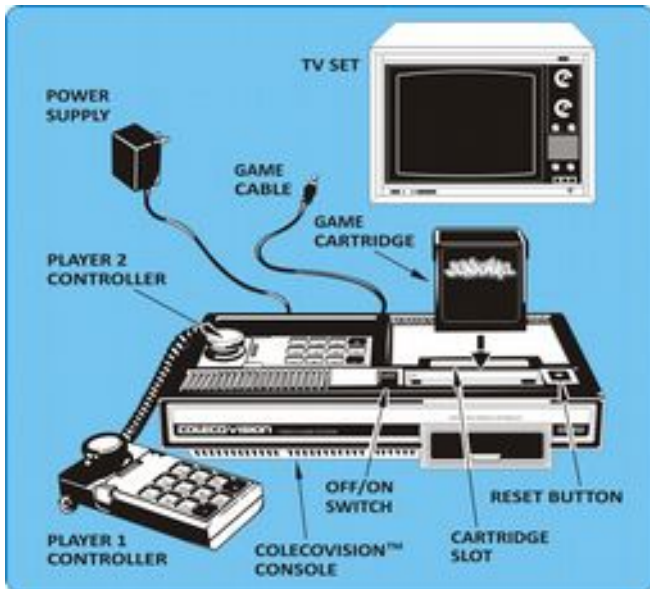

**Help Radiabel fixing History. Try to preserve
the Berlin Wall!**

COLECO

GAME DESCRIPTION

Radiabel, is a "chrono-cowgirl" who travels through time to fix history. She goes back to 1989 to prevent some big corporations (portrayed as animals/bugs) from converting the Berlin Wall into a multimillion tourist attraction theme park.

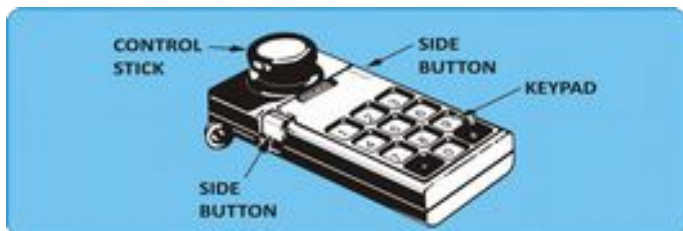

GETTING READY TO PLAY

- Make sure the COLECOVISION™ console is connected to TV. Make sure power supply is plugged into console. Then plug power supply into a 110/120 volt AC outlet.
- TV should be on and tuned to same channel as the Channel Select switch on the console.

- To play Junkwall™, use the controller in Port 1 (the rear jack). To play two-player Junkwall™, use both controllers.
- **ALWAYS MAKE SURE COLECOVISION™ UNIT IS OFF BEFORE INSERTING OR REMOVING A CARTRIDGE.** Turn **Off/On** switch to **On** after cartridge is inserted.

USING YOUR CONTROLLERS

Control Stick: Press the Control Stick left or right to move Radiabel in the selected direction.

Side Buttons: Press button to drop an apple on an enemy.

HERE'S HOW TO PLAY

In the title screen, on any controller, press "1" for a 1 player only game, or "2" for a 2 alternate players game.

Use any fire button to drop apples onto the crawling enemies.

If an enemy reaches the top of the wall, it will decrement the "missing" counter by one.

When 6 enemies reach the top of the wall, 1 of the 3 lives is lost.

When clearing a stage, remaining "missing" will be added as a bonus to the score.

Discover how to use power-ups.

NOTE: The Reset Button on the console “clears” the computer. It can be used to start a new game at any time, and can also be used in the event of game malfunction.
